April 29, 2016

Greetings!

Here are two upcoming events I think you would like to know about:

Vestar and the Southern Arizona Arts and Cultural alliance are inviting artists to hit the pavement - with Chalk. Guests can watch professional artists create eight-foot murals in a variety of themes, or grab a piece of chalk and make their own colorful addition. The **Vestar Chalk Art Festival** is scheduled for tomorrow, April 30, from 11am to 6pm at **Westgate**.

Join the **Cinco de Mayo Celebration** in **Downtown Glendale** tomorrow, 10am - 10pm, and Sunday, 1-7 pm, at the Murphy Park and Amphitheater. The celebration is sponsored by community-based Breakthru Organization. For more information, please visit the organization's website at www.btlife.org.

City Council Updates

This week, the Glendale City Council contracted with AEG Facilities LLC to manage the city-owned Gila River Arena. AEG is the world's largest sports and live entertainment company providing comprehensive venue management and programming services. The agreement with AEG results in Glendale paying a lower arena management fee than in previous years and creates a sustainable profit-sharing component between AEG and the city.

There is one more year left on the lease agreement between the city and the Arizona

Have a great weekend!

City Announcements

Glendale Officials Join Desert Palms Students For Arbor Day Tree Planting Ceremony.

More than 65 Desert Palms Elementary School third-graders, teachers and parents helped Glendale City Council members and Parks crews plant 12 new trees during a special Arbor Day ceremony held this morning at Cholla Park, 53rd Ave. and Cholla St.

Following the reading of the official Arbor Day Proclamation by Mayor Jerry Weiers and a "Fun Facts about Trees" presentation by Councilmember Bart Turner (Barrel District),

Coyotes and it is AEG's responsibility to negotiate a new agreement with the hockey team going forward.

I expect AEG's combination of experience and network of world-class venues -- including a very strong presence in the southwest and western United States -- to attract a wide range of artists and events for Glendale residents to enjoy for many years to come.

More information about AEG can be found at their website: <http://www.aegworldwide.com/>

Best Regards,

Councilmember Bart Turner
